we demand the following:

1. Divulge your salaries including benefits and cost of living raises, roll back your 10% pay increase.
2. No more bailout for banks, illegal aliens, greedy, foolish investors, bad businesses, and banks.
3. Decrease your salaries below \$100,000 including benies, during recession and bad times!
4. No more "pork" or earmarks for your pet projects
5. Better not touch talk radio in anyway
6. You have screwed military home owners and given our fighters the shaft. Hope you are proud of this. We demand help for military families.

A trillion dollars is \$1,000,000,000,000 that is spending \$1,000,000/day. You people are looking at going to 5 to \$7,000,000,000,000 and counting. The average person earns less then \$1,000,000 in a lifetime.

We will remember your names come 2010

You Obama prostitutes will be voted out in 2010, this goes for Republicans and Democrats.

I will start a grassroots effort to recall or vote you out come 2010. You are Obama henchmen, especially Pelosi, Davis, Feinstein, Boxer, Reid, Franklin, Collins, Specter, Bernanski, Lindsey, Waters, Waxman, Matsu, Lungren, Baca, Thompson, Solis, Schiff, Watson, Woosley, Miller, Thompson, Lee, Lewis, Kohl, Velazquez, Lowel, Brown, Liberman, Harkin, Hagel, Hatch, Bailey, Franks, Dod and many more. protest bike ride from Chula Vista Ca, to Washington Dc

I'm going to do a solo ride starting on 19 April 2009 and will hand carry back as many signed petitions as possible and dump them on the steps of the Congress and the White House.

Please help me make this a success and get the word out to everyone. That one very determined Irishmen is going to try and make a change. Remember these Congressmen work for us not the other way around. We pay their fat salaries and what do we get? "Taxation without Representation"

I need your help please pledge whatever amount you feel you can afford to help me make this one man show of defiance and determination a success. I'm footing the bill for the entire ride but if you can please help me out I would greatly appreciate it. Thanks again for all your support **WE CAN MAKE A DIFFERENCE!!!!!!!**

I want to thank you for your help in making this possible. My wife will know where I am on this journey everyday. I will be keeping a video diary of the trip.
